Community Newsletter

2020

— HAPPY NEW YEAR —

Cheers to a New Year and New Possibilities!

Ground Breaking!

Crestview Terrace is the newest and third phase of the larger Arrowhead Grove Neighborhood Revitalization and continues to transform a 1940's public housing site into a high-quality modern community.

Located in the heart of San Bernardino,

Crestview Terrace will provide 184 apartment homes for individuals and families with incomes beginning at 30% of the area median income. Crestview Terrace will be the first phase to offer market-rate units for the local workforce. This project continues National CORE's commitment to sustainable development and will utilize renewable energy source to offset one-third of the total site energy, creating a carbon-neutral neighborhood. The groundbreaking will take place January 16th, at 10am.

If you have been wondering what has been going on with the demolition at the auto center, we're excited to announce that Toyota of San Bernardino will be starting constructing on a new, 80,000 square foot state of the art facility within the Auto Center. Previously home to Scion of San Bernardino, the new facility will be located at 650 W. Auto Center Drive, fronting the 215 freeway.

Currently, all existing buildings on the property have been demolished and site preparation is underway.

When complete, the new facility will consist of a new 26,000 square foot showroom building and 55,000 square foot service building. Construction is anticipated to begin soon, with a planned opening in early 2021.

San Bernardino 5th Annual Arts Fest Coming!

The Parks, Recreation & Community Services Department is excited to help welcome in the 5th Annual San Bernardino Arts Fest. The event is slated to have over 100 artists, bands and performing artists. If you would like to be part of the event, the Call for Artists is now open. To submit your form visit our website at www.sbcity.org/SBArtsFest/ApplyHere.

The event is scheduled for March 14th from 10am to 6pm. We hope to see you all there! Questions? Call us at (909) 384-5357.

New Year, New Projects...Look into Rebates & Incentives

To encourage our customers to use water wisely, the San Bernardino Municipal Water Department (SBMWD) offers many conservation rebates and incentives making it easy to be water efficient, both in your home and outdoors. Here's three ways to save:

1 SBMWD residential water customers are eligible for up to **\$2,000** in rebates through the indoor and outdoor water conservation rebate programs. We encourage you to apply for your rebate today. For more information, visit <https://www.sbmwd.org/252/Indoor-Rebates-Incentives> or visit the office at 1350 S. E Street, or call (909) 384-5141.

2 SmartScapes Home Visits are available for FREE and offer outdoor water conservation help. We are partnering with Inland Empire Waterkeeper to assist residents in identifying ways to become more water efficient. Waterwise landscaping is eligible for rebates!

3 Skydrop Irrigation Controller Free Installation Program! Properties within the SBMWD's service area are eligible for a FREE system that automatically determines optimal watering schedules based on weather, soil, plant type and sun exposure. Hurry... Supplies are limited.

City Buildings get much needed upgrades!

The Public Works Department recently completed roof replacements at three City facilities including the Rudy C. Hernandez Community Center located at 222 N Lugo Ave, the 5th Street Senior Center located at 600 W 5th Street, and the Delmann Heights Community Center located at 2969 N Flores. The Animal Shelter will also be getting a much needed new roof this spring. Roof leaks could damage the

buildings' interior contents and lead to structural deterioration. The new roofing materials are warranted for 30 years, helping to eliminate further structural deterioration and enabling the City to continue to provide community services in these facilities for years to come.

We Want To Hear From You!

The City of San Bernardino is planning for the future! Here, we strive to become a model city for our diverse residents. As the City looks towards the future, improving public safety, city services and quality of life are top priorities for City and community leaders.

While San Bernardino has experienced major changes to ensure the success of the City's financial goals, City leaders understand there is still more to be done. This is why we want to hear from you! We invite you take a moment to complete our online survey at www.sbcity.org/movingforward

For more information, contact the City Manager's office at (909) 384-5122 or email at sbinfo@sbcity.org.

The Mayor's Office Ends the Holidays with a Wrap

The December 3rd Mayor and City Council Christmas Open House brought San Bernardino community residents together to celebrate the holiday festivities. Over 200 people attended to take pictures with Santa, listen to special live performances, enjoy pastries and refreshments, and meet the Mayor and City Councilmembers.

"This Christmas Open House was amazing. I was happy to see many of our community leaders and residents come and enjoy a special time together. I plan on hosting this event every year that I am in office and inspire an annual trend for future representatives to continue at the Mayor's Office in San Bernardino," said Mayor John Valdivia.

About 400 toys were donated to the event's Toy Drive collection. Following the Christmas Open House, the toys were donated to four different organizations in the City of San Bernardino which included: Casa Ramona, The Way World Outreach Church, Dignity Health Children's Subacute Center, and Sandals Church.
